

**WTE Open European
Masters Championships
Marina D'Or | Spain
29 November - 2 december 2018**

Dear Taekwondo family,

I warmly welcome you at the European Masters Championships 2018.

The championship was introduced into Taekwondo Europe's annual events in 2017 and is primarily an effort to pay tribute to all the people who have dedicated many decades of their lives practicing, spreading and excelling in Taekwondo, but at the same time to actually showcase that taekwondo is a lifetime sport.

The Spanish Taekwondo Federation owns a great part of the European Taekwondo history. Thus, having the Masters Championships held in Spain, reflects by default a retrospection of great taekwondo memories.

The Masters Championships was a request by many former professional athletes, taekwondo masters and practitioners. Its introduction to the annual calendar of Taekwondo events is an opportunity not only to test their taekwondo skills, but also to gather the taekwondo family together once again, and bring together former athletes, champions, recall moments which are part of the Taekwondo history and create new ones to add up.

I would like to cordially welcome all the participants competing in this championship, extending my sincere appreciation to your dedication, love, and devotion to Taekwondo.
