18th SPANISH OPEN 2020 G1 WT POSTPONED

After the last recommendations of Generalitat Valenciana, Conselleria de Sanitat Universal i Salut Pública and Consejo Superior de Deportes (High Council of Sports), we cannot hold the 18th Spanish Open 2020 G1 WT.

This is a force majeure situation.

We communicate that this is not a cancellation of the event, but a POSTPONEMENT and that hopefully we can announce soon the new dates to celebrate it.

The main thing is the health of all our athletes and the whole people in the current situation of COVID-19, so there is no discussion about its postponement.

Making the right decision by the relevant authorities reassures us and must satisfy everyone since it is about the health of thousands of people.

We hope that this new PANDEMIC declared by the World Health Organization can be solved as soon as possible.

Thank you very much for your understanding.

Yours sincerely,

Jesús Castellanos Pueblas
